Provider Information about Service Delivery and Pricing

Right at Home RightCare provide in-home care and assistance to consumers across Australia through a network of highly trained, professional and dedicated care teams. Each office is individually owned and operated giving you the ability to discuss your unique circumstances and care needs with the friendly local team.

Our Mission

Our mission is to “improve the quality of life for those we serve™” and every member of every Right at Home office around Australia embodies this mission in the delivery of exceptional care and communication. Whilst our Network’s standard prices are published here, your local Right at Home office will consult with you on the unique care you require and work within your budget to obtain the best possible outcome. Prices may differ locally based on specific circumstances.

Please speak with your **LOCAL OFFICE** about specific pricing concerns.

Right at Home delivers value for money for an exceptional quality service.

Care management is an important service that includes coordinating care and services that will help deliver on the goals you identified in your Care Plan.

All care management and associated Care Plans are created uniquely to the individual consumer by consultation and reviewed regularly to ensure continued levels of high quality care. Our care management includes regular supervisory visits and a visit to introduce your carer to you.
